

## Summer birds

Rokku / Publication: Lynx XXVII June 2012  
Helga Stania & Ramona Linke

wild cherries  
the distant glow  
of stars

*at the foot of the Uluru  
waiting for a thunderstorm*

"Oh Lord ..."  
Janis Joplin's  
unforgettable voice

*sketchy shadows  
behind the folding screen*

to harvest  
until moonlight  
silvers the mushrooms

*where the wall was  
silence*

---

*morning bells -  
the hands  
in the bread dough*

knitting a coat  
for the unborn child

*faint snowfall  
at the retirement home  
engagement party*

a lady detachs the ring  
from the frozen falcon

*coffee and  
Dürer's pen drawings ...  
Blue Hour*

John Donne—  
reading his Meditation

---

Windward Island  
nights devoted  
to Voodoo

*up to the moon bowl  
fragrance of hyacinths*

rushing through  
never guessed dimensions  
by wormhole

*group therapy -  
to ignore the tremor*

dense fog...  
The sect leader wears  
a Bill Haley-Curl

*Andropause.  
He is unreachable for days*

---

*at the campsite  
the awning  
besieged by fireflies*

Waters of Death;  
Gilgamesh in the punt

*the fisher's chair  
flanked by  
two cats*

chasing clouds  
towards Walpurgis Night

*speed dating -  
the young Magnolia  
strewn with blossoms*

Easter light flows  
through Richter's window

---
